Dear Tom,  
Thank you for your letter. It was great  
to hear from you again! In your letter you asked me about  
keeping pets. As for me, I like pets. I  
can't imagine living without them!  
Some people don't want to have any  
pets because they should feed them and  
walk. Well, exotic animals are dangerous.  
Spiders and snakes are unpleasant animals  
for me. In our country, cat and dogs  
are popular because they are pretty and  
cheap.  
Sorry, I'd go now as I have to help  
my mother in the kitchen to cook dinner.  
Best wishes,  
lots of love  
Alina

In your letter you asked me about pets. Well, I think people don't want to have pets because they don't want to take care of them. I love animals, but not everyone. For example, I love dog and fish. Some don't want to have pets because of allergic. There are people who don't like animals at all, but I don't understand such people. I love animals, but I can't afford to have them because I am allergic. Well, I'd better go now as I have to help my mother in Voloncenter. Write me back soon.

Best wishes,  
 Egori

Hi Tom. Many people are allergic to pets and can't have them. Or the owner of the pet can't have enough time to pay attention for them. I am approving to have exotic pets like spiders or snakes because it can be loved too. The most popular pets in my country are dogs and cats.

Dear Tom!

I am writing to you to let you know that I also love pets and I have got a cat. It is black, white and furry. She is very funny and always plays with a ball. As for keeping exotic pets, I suppose that spiders and snakes are dangerous for people. And in common I don't like exotic pets. In my country the most popular pets are dogs and cats, especially small dogs.
